## INTRODUCING KÄHRS LIFE

Seeing the need for a hardwood floor with more durable properties, we applied our expert craftsmanship to create the Kährs Life Collection: a range of hardwood floors made for everything from home installs to heavy commercial use. These floors provide the best of both worlds: a beautiful, real wood floor with properties close to LVT, all at a cost-conscious price point. The Life Collection features a range of wide and narrow plank floors, in 10 trendy colors ranging from light to dark.
